## Arizona Capacitors

Wound Film Capacitors for commercial and military applications, capacitor technologies include audio, pulsed power, decoupling, motor start, snubber, sensing and tuned circuit, [www.arizonacapacitors.com](http://www.arizonacapacitors.com)

Thermal Interface Materials, Zebra Elastomeric Connectors, LCD Bezel & Connector Assemblies, Fusible Tapes, [www.fujipoly.com](http://www.fujipoly.com)

Surface Mount and Thru-Hole Inductors, Toroidal Power and Bobbin Core Chokes, Extensive application specific design capabilities, QPL approved Mil-Spec inductors, [www.gowanda.com](http://www.gowanda.com)

Commercial and Mil-Spec EMI/RFI shielding materials in sheet form or die-stamped to your specifications, [www.jabar.com](http://www.jabar.com)

## Kingbright

SMD & Through-hole LEDs, SMD & Through-hole Displays, IR & UV LEDs, LED Clusters, Photointerrupters, Photocouplers, [www.kingbrightusa.com](http://www.kingbrightusa.com)

## Mechatronics

DC Fans, AC Fans, Blowers and Impellers, Custom Fan Assemblies and Fan Accessories, [www.mechatronics.com](http://www.mechatronics.com)

Color TFT Displays, Color LCDs, Graphic LCDs, Character LCD Displays, [www.microtipsusa.com](http://www.microtipsusa.com)

## MILPLEX CIRCUIT

Prototype and Production PCBs up to 25 layers, with line width/space down to 0.002". Standard, High Frequency, and Metal Substrate Materials. Established 1985 with 42,000 sq. ft for production. [www.milplexcircuit.com](http://www.milplexcircuit.com)

Potentiometers, Rotary Encoders, Joysticks, Jog Shuttle Switches, Metal-Clad Resistors, Cement Filled Resistors, Metal Oxide Resistors, [www.nobleusa.com](http://www.nobleusa.com)

Speakers, Communication Connectors, Shielded Connectors, Cable Assemblies, Wall Mount and Table Top Power Supplies, [www.regalusa.com](http://www.regalusa.com)

Power Entry Modules, Block Filters, Fuses, Fuseholders, Circuit Breakers, Cordsets, Switches, [www.schurterinc.com](http://www.schurterinc.com)

Wirewound Resistors, Low Ohm Current Sensing Resistors, Precision Metal Film Resistors, High Voltage Metal Alloy Resistors, RL-42S PER MIL-R-22684, SMT Thin Film chips and networks and Thick Film Networks, [www.tepro-vamistor.com](http://www.tepro-vamistor.com)

Switching Power Supplies from 5 to 1000 watts (medical grade available), DC/DC Converters from 1 to 400 watts, Uninterruptible Power Supplies, AC Line Filters, Rackmount Chassis, [www.tri-mag.com](http://www.tri-mag.com)
